

**Recommendation for a documentation leaflet for the WGK-Classification according to Annex 4 of the Administrative Regulation on the Classification of Substances Hazardous to Waters into Water Hazard Classes (VwVwS) of 17 May, 1999**

	<b>Date 10/08/2017</b>
<b>1. Manufacturer/distributor details</b>	

Firm	Manna Pro	
Department	none	
Contact person	Regulatory Manager	e-mail-address admin@mannaprouk.com
Street / P.O. Box	Barnack House Suite 2 Orton Southgate	Tel. 44-(0)-1733 404390 (Office Hours)
Post Code City	Peterborough PE2 6GP	Fax 44-(0)-1733 685437
State	UK	

**2. Mixture/preparation specifications**

<b>Name</b>	90424 Simple Solution Stain and Odour Remover for Dogs 4L
<b>Commercial name</b>	90424 Simple Solution Stain and Odour Remover for Dogs 4L
<b>R-phrase-classification according to § 4b of the of the Ordinance on Hazardous Substances</b>	None

**3. WGK Classification**

**a) according to Annex 4 No. 3 (computation rule)**

			Yes No	
<b>Percentage of carcinogenic substances (R45)</b>	WGK 2	1 %*	No	
	WGK 3	≥ 0,1%*	No	
<b>Percentage of carcinogenic substances (R45)</b>		>0 - <0,1%*	No	
<b>Does the mixture contain dispersing agents?</b>			Yes	

<b>Components</b>	Mass fraction based on total amount
-------------------	-------------------------------------

	[%]
<b>WGK 3</b>	None
<b>WGK 2</b>	None
<b>WGK 1</b>	2.70
<b>nwg</b>	97.11
<b>unknown identity</b>	None
<b>resulting WGK</b>	1

\* Other limits for R45-classifications specified according to GefStoffV are effective

**b) according to Annex 4 No. 4 (test data obtained with the mixture)**

	result Evaluation point/	default value
<b>Acute oral or dermal toxicity for mammals</b>		
<b>Aquatic toxicity</b> (at min. 2 species) <b>Fish (96h) LC<sub>50</sub></b>		
<b>Daphnia (48h) EC<sub>50</sub></b>		
<b>Algae (72h) IC<sub>50</sub></b>		
Other hazardous characteristics (according to. Annex. 4, No. 4.4)		
Total number of points		
<b>resulting WGK</b>		

**c) according to Annex 4 No. 5 (special mixtures)**

The following WGK was determined differing from Annex 4 No. 3 und 4:  
Decision of the Commission for the Evaluation of Substances Hazardous to Waters  
(KBwS) from:

<b>Comments of the applicant</b>	
----------------------------------	--

**Please note:** This leaflet is regarded as a recommendation for the documentation of a WGK-classification according to Annex 4 of the Administrative Regulation on the Classification of Substances Hazardous to Waters into Water Hazard Classes for manufacturers and distributors of substance mixtures/preparations. The Office of Documentation and Information on Substances Hazardous to Waters (Dokumentations- und Auskunftsstelle wassergefährdende Stoffe) is not in charge of processing these classifications. It is recommended to provide customers and the regional authorities at least the above-mentioned specifications for a WGK classification of substance mixtures/preparations.

**Signature of applicant, stamp**
